

Inspired by you

SONI GRANITE
MINING COMPANY

A journey of
30+ years

It all started in 1991, with a hope of making a living & who knew, it would be a passionate journey to cherish.

New Beginnings

One of the largest single units of
Granite Mining in Rajasthan

— Acquired —

50 hectare +
mining areas across India.

The background of the image is a light-colored, marbled surface, likely representing stone or marble. The marbling consists of intricate, organic patterns of light beige, cream, and soft grey tones, creating a sense of depth and texture. The overall appearance is clean, elegant, and sophisticated.

Presenting Quality & Integrity

Not just stone but a promise that lasts Forever.

Immerse yourself in its captivating beauty, where the essence of nature and the vitality of rivers converge. Elevate your space with timeless allure, harmonizing daily life with the natural world. Let Onda Marino be your guide to an inspiring living experience, rejuvenating your senses and fostering a deeper connection. Embrace its organic beauty, creating a sanctuary that reflects your appreciation for the extraordinary. Discover boundless possibilities in the gentle waves of rivers, finding harmony and inspiration from nature's rhythmic flow. Live a life connected to the wonders of the natural world, embodied in Onda Marino.

"Embrace nature's whispers, let it inspire your extraordinary living"
